HORSE THIEF CAUGHT.
Youth Calling Himself Ryman and Smith Was Headed for Hartford.

One of the quickest catches of a horse thief ever made in this vicinity was effected Wednesday afternoon at the home of E. H. Richmond and Lucile, Daniel Kilbourn when they apprehended a young man of whom but little is known in this city.

The fellow, who receives mail under two names, Hiram Ryman and Carl Smith, had been working for James P. Brown, the horseman, and beat it from the stables Wednesday afternoon on Lewiston avenue astride one of Mr. Brown's fine saddle horses. At the time he left so hurriedly he wore a suit of clothes belonging to James P. Brown, Jr.

Chief Richmond received a telephone message a little after 2:30 o'clock acquainting him of the fact that Ryman, alias Smith, had been seen at the home of E. H. Richmond and Lucile. The chief immediately obtained an automobile, picked up Lieut. Kilbourn and started for South Windham, where it was said the horse thief had been seen. The trip proved to be a futile one, however, and returning to the city the chief and his lieutenant started off on another clue and overtook the horse thief on Upper Main street near the last store, close to the Windham farm, where they arrested the chap and escorted him back to headquarters, where he was lodged in the cell room, at 3:15 o'clock. Three-quarters of an hour from the time of notification of the theft, Ryman or Smith, whatever his name may be, was in the hands of the police court (Thursday) morning.

When arrested he tried to convince the officers that the horse had been loaned to him by Mrs. Brown, but this story proved false upon investigation. The stolen suit of clothes is apparently sufficient evidence of the fellow's guilt. It is believed that he was headed for Hartford when arrested.

THIRTY-EIGHTH BALL
Given by Montgomery Hose Company on Thanksgiving Eve—A Big Success, of Course.

Montgomery Hose company, No. 2, held its 38th annual concert and ball Wednesday evening in the town hall, and as usual the concert and ball were most successful of the holiday season. The hall was thronged with dancers and there were many spectators in the balcony.

The hall was handsomely decorated with American flags and in fine effect. The decorations were by P. D. Donahue. Music for the concert and excellent dance programme that followed was furnished by Hickey's orchestra of eight pieces.

Mayor Daniel P. Dunn, who has attended every dance given by the popular hose company, was present and participated in the grand march with Mrs. Dunn. Thomas Ashton, the oldest living member of the Willimantic fire department and one of the charter members of Montgomery Hose Co., was another to enjoy the evening's festivities. Mr. Ashton has missed but one dance given by the company's auspices, and that was held during one of his few periods of illness.

The general committee in charge of the pleasant evening comprised Foreman George A. Grady, assisted by Michael J. English, James J. Tishie, John A. Doyle and Daniel McCarthy.

A marriage license was issued Wednesday to James Brown, son of Elizabeth Brown. This will be the bride's third matrimonial venture, her second husband being the brother of the groom-to-be. She recently obtained a divorce from her second husband.

Fined for Blacking Eyes.
George Ferina, charged with assault upon Thomas Mattalo, was before Deputy Judge James A. Shea in police court Wednesday morning. The accused entered a plea of guilty. The complaint had a black eye to corroborate his claim that Ferina had assaulted him. Ferina did not deny the fact that he had struck Mattalo, but did claim that Mattalo had struck him first. He did not have any money, however, to substantiate his assertion, and the court imposed a fine of \$5 and costs, which was paid.

Honest Man Found Diamond Ring.
Wednesday forenoon Chief E. H. Richmond received a telephone message from Frank Murdoch of South Windham that a young man had passed through that village on horseback and that he had dropped a package containing a diamond ring. The boy formed the chief that the young man would probably be found in the city, as he was headed that way. Chief Richmond walked out upon the street and after looking about awhile found the young man at Murphy Bros', stable on Church street. After asking a few questions, the chief inquired if he had lost anything, to which he received the answer "No." But this was very soon changed for "Why, yes, I have lost a diamond ring." And when the young fellow made the discovery he quickly changed color and was considerably moved. He was told where the ring was and was advised to go back to South Windham by trolley, which he did, and recovered the ring. The young man is known as Cy Foster and resides in Lebanon.

Quarantine on Shea Home.
The home of Dennis P. Shea, 311 Valley street, has been quarantined because of the illness of Willard Shea, aged 8, who has diphtheria. The boy has been attending the model school on Windham street, and City Health Officer Dr. W. P. S. Keating has ordered the grade which the boy attended closed for the balance of the week and the room thoroughly fumigated and disinfected. The home of Mr. and Mrs. A. D. Chaffee, 181 Lewiston avenue, is also under quarantine for the same disease, three of the Chaffee children being ill. Two of them are reported greatly improved. During November there have been 18 cases of diphtheria in this city. The ring, however, but four houses under quarantine at present.

Burnham-White Case Settled.
The case of A. R. Burnham, Agt., of this city vs. C. E. White of Andover, which was to have been tried in the superior court in this city Wednesday, has been settled. Edward M. Veonians, counsel for the defendant, was in the city Tuesday afternoon and settled with Attorney P. J. Danahy counsel for the plaintiff. The suit when tried in the justice court resulted in a verdict for the plaintiff to recover \$41 and costs. An appeal was taken to the superior court by the defendant and the case has been on the superior court docket for the past two years.
